It's easy...

- Simply spread the good news about the exceptional service and products that are currently available to you at OECU to your family and friends.
- Complete the New Member Referral Information Form to the right with your name and address and give it to your family members and friends (there is no limit to the number of people you can refer).
- \$25 will be deposited to your Share Account for each person you refer who opens a new membership (Share Account) with a checking account after both the Share and Checking accounts have been open for a minimum of 60 days.

New Members

\$25 will be deposited into your new OECU Regular Share Account just for joining and opening a Checking Account after both the Regular Share and Checking accounts have been open for a minimum of 60 days.

Or \$75 will be deposited, instead of \$25, by opening a Regular Share Account, Checking Account and establishing direct deposit of at least \$400 per month within 60 days of opening your new membership. If direct deposit is unavailable through your employer or retirement service, you can still qualify to receive \$75 by opening a Term Share Certificate (regular or IRA), OECU Visa® Card or loan product within 60 days of opening your new membership.

Bring in the referral form and two forms of ID to any of our offices to open your membership.*
